April Devotion: The Blessed Sacrament

Since the 16th century Catholic piety has assigned entire months to special devotions. The Church traditionally encouraged the month of April for increased devotion to Jesus in the Holy Eucharist. "The Church in the course of the centuries has introduced various forms of this Eucharistic worship which are ever increasing in beauty and helpfulness; as, for example, visits of devotion to the tabernacles, even every day; Benediction of the Blessed Sacrament; solemn processions, especially at the time of Eucharistic Congresses, which pass through cities and villages; and adoration of the Blessed Sacrament publicly exposed . . . These exercises of piety have brought a wonderful increase in faith and supernatural life to the Church militant upon earth and they are re-echoed to a certain extent by the Church triumphant in heaven, which sings continually a hymn of praise to God and to the Lamb 'Who was slain.'" --Pope Pius XII
