**NOTES:**

- 1 Without the grant, we would need to charge \$410.00 for registration.  
The registration fee covers the cost of meals, speakers, travel, worship and audio/visual technician and equipment. For an individual, the cost of meals is \$235.00. With the grant we can lower registration to \$205.00. This is less than their meals alone. If someone registers early, they will pay even less - just \$175.00. You can see from this how much the grant is helping to make the Quinquennial more affordable for our members.
- 2 Rooms have double beds which may limit room sharing by more than 2 people
- 3 Booking a flight to Phoenix for August (they are not booking 2022 at this time) approximately for round trip cost:
 

From Los Angeles	\$ 140.00
From Seattle	\$ 135.00
From St. Louis	\$ 349.00
From Detroit	\$ 315.00
From Miami	\$ 275.00
From Dallas	\$ 300.00
From New York City	\$ 386.00
